ABOUT LOVE OF LABS, INDIANA

2016

- **234** Labrador Retrievers & Labrador mixes were pulled from high kill shelters around Indiana and surrounding states.

- **232** Labrador Retrievers & Labrador mixes were placed in loving, forever homes.

- **26** heartworm positive Labradors were successfully treated.

Love of Labs, Indiana (LOLIN) is a 501(c)(3) nonprofit volunteer oriented organization operating entirely on donations, adoption fees and various fundraisers. LOLIN is committed to bringing an end to the killing of homeless Labradors in the tristate area:

PREVENTION

The main tool for reducing birth of unwanted animals are spay/neuter programs. All of our Labradors are spayed/neutered before going to their forever homes.

ADOPTIONS

LOLIN finds new, loving homes for Labrador Retrievers and Labrador mixes through a detailed application process, ensuring the best fit for all involved.

ANIMAL HEALTH AND BEHAVIOR

Our commitment means that we give every Labrador the medical treatment, rehabilitation, training and socialization needed to prepare them for adoption.

VOLUNTEERS

Volunteers are the life force behind our efforts. Without this impassioned labor force, LOLIN would not be possible.

LOVE OF LABS, INDIANA 7th ANNUAL

LABAPALOOZA

Labapalooza is an end of summer celebration for animal lovers and their canine companions. Sip the wine and soak up the live music as the summer breeze fills the air. As the day winds down, shop from local vendors, enjoy the doggie contests, silent auctions, raffles and so much more.

We would like to invite you to partner with Love of Labs, Indiana (LOLIN) in the effort to save the lives of homeless Labrador Retrievers and Labrador mixes, by becoming a donor for the 7th Annual Labapalooza on September 10th, 2017. Supporting this event provides a wonderful opportunity for you to showcase your charitable involvement in animal welfare and the community, while marketing your business to hundreds of animal lovers in the tristate area.
